Extracurricular Activities
Session 2 Brochure

Extracurricular Activities General Information

Marymount International School Rome is pleased to offer a wide variety of extracurricular activities to cater to the broad interests of our students. We provide them with an opportunity to further exercise their intellectual, artistic, and athletic skills in a safe and friendly environment.

Our extracurricular program fosters:

- **Spirit:** playing for the love of the game, competing, fun, and self-improvement
- **Balance:** opportunities to pursue athletics and other passions
- **Character:** development of responsibility through commitment and personal choices
- **Fair Play:** fair and respectful conduct toward all participants and supporters
- **Community:** dedication to developing responsible leaders and citizens in our communities

All activities are intended to help children build the core social skills of **cooperation, assertion, responsibility, empathy, and self-control**.

1) Timing

Session 2: Monday, January 28, 2019 - Friday, June 7 2019

The purpose of this document is to provide a provisional overview of the activities Marymount intends to offer in Session 2. The information provided is correct as of January 1st, 2019 and may be subject to change. For the most up-to-date listing of extra curricular activities, please consult our website:

<https://www.marymowntrome.com/student-life/extra-curricular-activities>

2) Registration

Families can register students for activities by filling out the form at the end of this brochure, available also on the School website.

Certain activities are offered by external providers, therefore families are asked to register both using the attached form **as well as directly with the external provider**. Details of activities where this is applicable may be found in the descriptions later in this document.

Students will be considered registered for extracurricular activities only when **completed registration forms and payment** are submitted to our Business Office.

A minimum of 8 students is necessary for each activity to take place. The School reserves the right to cancel an activity due to insufficient numbers. If an activity is cancelled due to low registration, students will be invited to attend an alternative activity or use the credit for the next session.

Students registering for dance and sporting activities are required to have a medical certificate completed by a doctor and filed with the School Nurse before January 25, 2018.

3) Session 2 Fees

Fees for registering students in extracurricular activities are shown below.

All fees are for Session 2 only and are per student:

- | | |
|------------------------------|------------------------------|
| - 1 day a week: €200 | - 4 days a week: €500 |
| - 2 days a week: €300 | - 5 days a week: €600 |
| - 3 days a week: €400 | |

Notes:

- Some activities are subject to a different fee structure, and others must be paid for directly to an external provider. Where this is the case, it is noted in the relevant activity descriptions.
- Many activities are offered free of charge and these have been highlighted in red and with an asterisk on the schedule. Please note that places on these courses will be given on a first-come, first-serve basis, and consistent attendance is a requirement, otherwise the place on the course will be given to another student. Families registering for free activities are still required to complete the registration form.

For any additional information regarding payment, please contact the Business Office at
business@marymountrome.com or at +39 0636291030

4) Behavior

Students participating in extracurricular activities are expected to meet the behavioral standards we have in place during the school day. The School reserves the right to remove students from activities for poor behaviour without any refund.

5) Rain

Outdoor sports and activities will take place indoors when weather conditions are unfavorable.

6) Payments

All payments must be made in our Business Office on the 1st floor of the Villa.

- Payments may be made in cash, by check, credit card or electronic bank transfer.
- Checks should be made payable to “Marymount International School”.

Payments via electronic bank transfer can be made using the School’s bank details listed below:

- For example: Smith Anthony Gr 12 Extracurricular Activities

Please submit a copy of your receipt of the bank transfer with your child’s registration form.

7) Transportation

The School offers a late bus service to students participating in extracurricular activities. Parents should note this is not a door-to-door service like the regular bus service.

Students already signed up for the regular bus service may ride the late bus free of charge.

Students not signed up for the regular bus service may ride the late bus at an additional cost. All students intending to ride the late bus should indicate this on the registration form.

Students catching the late bus will report directly to the school bus coordinator at the end of their activity.

8) Dismissal

Extracurricular activities run from:

- 15:30 to 16:45 for Elementary School
- 15:45 to 16:55 for Secondary School

Students must be picked up promptly if not catching the late bus.

All students will be dismissed from and picked up in the Elementary School foyer outside the office.

If your child/children is/are being picked up by someone other than a parent or guardian, the activities coordinator and relevant activity leader must be notified beforehand.

We kindly ask all parents to adhere to these dismissal times and procedures.

9) Attendance

In order to participate in their extracurricular activity, students must have been in full attendance at School on that day.

There is an expectation that all students registered for extracurricular activities will attend their programs. Students are not to remain on campus after school if they are not attending an activity, unless supervised by a parent or guardian.

If students registered for extracurricular activities are found on campus not attending their program, parents will be called for an immediate pick-up and the school reserves the right to remove the child from the activity without any refund.

Early Childhood & Elementary School Extracurricular Activities

Enriching Children

EC1 & EC2

Due to the positive response this year, our extended hours program for EC1 and EC2 will be continued. Children may join the Early Bird Club at 8:00am and will be taken to class at 8:30am. Once the school day is finished, we will offer a program that will be open until 4:30 pm. For more information regarding this program please contact the Early Childhood coordinator, Ms Jackie O'Farrell (jofarrell@marymountrome.com)

Italian for Kindergarten

Kindergarten

An experienced Italian Teacher, leads an easygoing Italian class aimed at preparing mother-tongue students for Italian classes in First grade.

Irish Dancing

Gr. EC2-K-1

Irish Dancing is renowned all over the world! Have you thought of trying it out for yourself? Here is your opportunity! Irish dancing is characterised by the rigid upper body and intricate footwork.

There are various forms of Irish dancing all of which will be touched upon in the classes.

- Formal Irish dancing: Various solo dances and various footwork.
- Ceili Dancing: Team based dancing where dances are performed in two's, four's, eight's etc.
- Sean-Nos Dancing: The oldest form of Irish dancing which involves a low level of intensity but intricate footwork to create beautiful rhythms. It can be performed in one spot without the need of a huge amount of space. In the past, it was performed on the top of a door or barrel to create a rhythmic sound.
- Footwear: There are two types of shoes used in Irish dancing, the soft shoe and the hard shoe. As this will be a beginner class, only soft shoe, ballet type pumps will be needed.

Creative Movement

EC2 / Kindergarten

Dancer and choreographer, teaches young students how to use their body as a main communication tool and express themselves through movement and natural dance. This class also provides children with a setting in which they can develop their individual personality and respect for themselves and for others. At the end of the year, students will take part in a group performance.

Arts & Crafts

EC2 / Kindergarten

This club gives children the opportunity to explore their creative side using a variety of different mediums and materials. All activities will be open ended, and will be process-based. Many of the art projects will be extensions of children's stories that will be read and discussed. We will learn about illustrators and illustrations, and develop an awareness of real artists. Children will practice focusing their attention, talking about their art work, and appreciating and responding to the creations of others. Teacher: Michelle Hanna and Aisling Gallagher-Deeks.

Kinder Literacy Club

Kindergarten

This extracurricular activity is geared toward emergent writers and readers. Children will invent their own characters and storylines as well as learn about the different parts of the story. Their imagination will be stretched by guided questions to help them enhance their literacy skills which they will be putting in writing and story form. If any time is left it will be used in language development activities such as action songs and poems. The atmosphere will be fun and energetic. Students will be guided through this activity with the talented Ms. Naiomy Perera and Ms. Laurie Berry.

Capoeira

EC2 - Kindergarten - Gr.1

A former MMI Early Childhood PE teacher returns to teach Capoeira, a Brazilian art form combining self-defense, acrobatics, music and song. Capoeira is a great opportunity for students who are interested in martial arts, rhythm, music and Brazilian culture. Students will learn basic Capoeira movements of defense and attack, as well as Brazilian songs and how to play instruments such as the atabaque (drum), pandeiro (similar to a tambourine) and the berimbau (a single string percussion instrument)

A uniform (Abadá) will be required to attend the activity.

Soccer for Boys & Girls

EC2 / Kindergarten / Gr. 1-5

Soccer continues to be our most popular extracurricular activity so register as soon as possible to avoid disappointment! Our elementary school soccer coaches are Daniele Maria Lorenzoni and Marco Mascioli. Daniele has coached soccer at MMI Rome since 2009. Among many other positions, he has been an assistant coach at Manchester United Soccer Schools and at Arsenal Soccer Schools. Marco has been coaching children at MMI in tennis and soccer since 2004, and holds several other coaching positions at local sports academies and camps.

Modern Contemporary Dance

Gr. 3-5

Dancer and choreographer Alice Tudino provides students with a foundation in basic modern dance techniques. Participants learn new choreographies which improve their coordination, posture, and dancing technique, expressing themselves through music, movement, and improvisation. At the end of the year students will take part in a group performance.

Karate/Shotokan

Gr. 1-5

Karate lessons at MMI are delivered in English by Master Senpai Daniele Calanchini (Black Belt 2nd Dan) an instructor from ISKF (International Shotokan Karate Federation). Exhibitions, competitions, and belt ceremonies will be organized at the end of the year for students to display their progress. Further information on the course can be found by contacting the extracurricular activities coordinator.

Sports & Games

Gr. 3-5

An introduction to athletics and the fundamentals of varsity sports. Students will learn the basics of sports including volleyball, basketball, and cross country. They will undertake training routines focused on developing endurance, agility, strength, and speed. They will also experience training with light weights, and equipment such as ropes, tires, and sandbags. A variety of outdoor team games such as ultimate frisbee, power fitness, kickball, foot cricket, and foursquare will be introduced.

Chess

Gr. 3-5

Chess is one of the oldest games in the world dating back over 1400 years. The game of Chess has evolved as it spread around the globe to the game we play today.

Chess is a game of strategy that develops memory and concentration, is about thinking logically and involves a lot of problem-solving. It also...

- Develops imagination and creativity
- Teaches independence and discipline
- Develops the capability to predict and foresee the consequences of actions
- Inspires self-motivation

The course begins with a brief history of the game of chess. It then introduces the student to the board and pieces, explaining through interactive lessons, quizzes, games and hanging demonstration board how each piece moves.

This course will take the students through the fundamentals of chess, by giving them a good foundation that they will be learning in a step by step approach.

It will not be limited to the basics, as it will tackle as well the different chess phases, from opening to middle game and endgame.

Wizarding Wednesdays

Gr. 3-5

An afternoon of Harry Potter and related activities where Students will listen to Harry Potter and The Philosopher's Stone, there will be activities spanning the range of craft, creative writing, games, puzzles, trivia quizzes, and time to talk about the story, the author and her intentions as she wrote.

S.T.E.A.M.

Gr. 1-5

S.T.E.A.M. (SCIENCE, TECHNOLOGY, ENGINEERING, ART & MATHEMATICS) Club at MMI encourages students to explore, invent, create, and solve real-world problems using a variety of tools and materials. The club is intended to foster cross-curricular and multi-age collaboration and provide leadership opportunities. Students will have the chance to work in groups or to develop their own projects; teachers will facilitate student-led projects, but the emphasis will be on collaboration amongst the students. Students will learn how things work, and using creativity and problem-solving skills, they will design functional products for personal or community use.

French Club

Gr. 1-5

This club aims at introducing you to the basics of French language and culture.

The ultimate objective is to develop the fundamentals of French with ES students so that whoever is interested in this language can set the grounds for further learning in Secondary School. The course will put the emphasis on conversation and basic vocabulary, through play.

Spanish Club

Gr. 1-5

This fun-filled activity is led by Spanish native speaker. A teacher with experience at all grade levels in both Italy and Mexico. Students are exposed to the Spanish language through fun games, and learn new words using visuals, shapes and colors, animals, greetings, songs, and flash cards. Students also start using basic grammar, and put their creative skills to use drawing and making gift cards for festive occasions.

Homework Club

Gr. 1-5

Students complete their homework in a quiet place with the help of our teachers. Students will be divided into small groups of up to six children per teacher. First-come, first-served basis. Once the club is at capacity, a waiting list will be created.

S.T.E.A.M.

Acting and Communication - Group Classes

Gr. 4-9

Taught by Denise McNee.

Learn how **to act and perform monologues and poems** and gain the confidence to do it in front of a public. Using **drama games** and voice and acting lessons, students will practice and improve the vocal and physical skills which will help them become better actors and **public speakers**. They will also be more prepared for any future occasions where they have to speak in public or make a presentation. They will learn the importance of pacing and pausing when you are talking, how to emphasize what is important, and use their emotions to convey meaning. They will be playing with their imagination and creativity to create characters. In doing so they will empathize with others and see things from a different perspective. They will also improve their **vocabulary and reading skills** and have fun doing it.

The choice of material will be from the [LAMDA](#) syllabus allowing the students the possibility of taking the exams at the end of the year.

Peace Club

Gr. 1-5

There is no charge to join Peace Club, it is offered by Little Friends For Peace:

"LFFP is a U.S. based nonprofit that aims to answer violence with skills for peace. Teaching kids how to resolve problems both non-violently and respectfully is vital to a peaceful world. Private Communication and Acting Lessons

Gr. 3-5

COMMUNICATION AND ACTING LESSONS WILL HELP THE STUDENT TO:

- read easily, fluently and with good understanding
- expand vocabulary to improve powers of self-expression
- improve confidence in speaking and listening
- memorize and recall information
- engage in constructive informal conversation
- present ideas in a confident and engaging way

The students following the course may also be offered the opportunity to participate in LAMDA examinations. LAMDA is one of the most prestigious drama schools in the UK. The awards are officially recognized and the higher levels are accredited as UCAS points, helping with University applications. Starting in September 2017 lessons will be privately taught on an individual basis during school hours and after school. Numbers are limited therefore early subscription is recommended. For more information please email lamda@marymountrome.com

Private Individual Music Lessons

Gr. 1-5

Private individual music lessons are available on the following instruments - violin, piano, guitar, recorder (flauto dolce), and voice (classical or contemporary singing). For older students (typically Gr. 3 to 5) the following instruments are also available: viola, cello, flute, clarinet, saxophone, oboe, trumpet, horn, and drums. These lessons follow a different fee schedule. Please see the following [link](#) for detailed information.

Secondary School Extra-Curricular Activities

Basketball (Boys)

Gr. 6-8

The students will work on fundamental drills, basic skills, and team strategy. This activity will improve general fitness, strength, and coordination. Practices will take place on the basketball court behind the Villa. The team will participate in RISA basketball tournaments throughout the year. Practice and game attendance is mandatory! More info to follow on the dates of games and tournaments once teams have been established.

Basketball (Girls)

Gr. 6-8

The students will work on fundamental drills, basic skills, and team strategy. This activity will improve general fitness, strength, and coordination. Practices will take place on the basketball court behind the Villa. The team will participate in RISA basketball tournaments throughout the year. Practice and game attendance is mandatory! More info to follow on the dates of games and tournaments once teams have been established.

There will be no classes on the first Monday of each month due to faculty meetings.

Karate

Gr. 6-8

Instructor Daniele Calanchini (black belt 2nd Dan International Shotokan Karate Federation) instructs a course encompassing a detailed study of the positions and techniques for beginners (Kihon), followed by studies and exercises of a more advanced series of techniques in a well-defined and traditional sequence (Kata). The oldest students will study combat techniques as well. The sessions will take place in the elementary gym or in the EC gym on rotation. A €15 registration fee for ISKF is included in the overall fee. Parents will be asked to purchase the karategi, training suit for approximately € 30,00.

Soccer (Girls)

Gr. 6-8

The students will develop their individual skills, and team tactics and strategies. Practices will take place on the main soccer pitch from September through February and on the calcetto field from February through May. The team will participate in RISA soccer games and tournaments throughout the year. Students must wear shin guards at all times, both for training and games/tournaments. Practice and game attendance is mandatory! More info to follow on the dates of games and tournaments once teams have been established. A minimum of 8 students is necessary for this activity to take place.

Volley (Girls & Boys)

Gr. 6-8

Volleyball is a fun sport for all ages. The sooner students start playing, the more skilled they will become in order to master some volleyball skills. Young students are able to learn most volleyball basics, such as passing, serving, setting, spiking and blocking. The key to working with children is to keep it fun and give lots of encouragement. The ability to work well with others is a skill that young athletes will learn playing volley and they will bring it with them throughout their entire lives.

Latin

Gr. 6-12

Teacher: Josef Herman.

In this activity, we will be studying together the language of ancient Rome - the language of Virgil, Cicero, Horace, Ovid, and many more. Latin gives us access to the great tales of Rome from Romulus and Remus to Caesar and Augustus, but it is also the language of European culture. For anyone interested in the texts of the Catholic Church, the science of Galileo, or the references in Dante: Latin is the key.

Email Mr. Josef at jherman@marymountrome.com for more info.

Homework Club

Gr. 6-12

Are you looking for a quiet space on campus where you can have some guided help from a teacher to get you motivated and put you on the right track for all the homework assignments you need to tackle? Well, you have found it! Teachers will help put students on the right track to completing their homework. The sessions will take place in Residence 1 (top floor of the EC building in front of Butler Hall)

Model United Nations Club

Gr. 6-9 / 10-12

Model United Nations (MUN) is a world-wide program that involves thousands of student participants each year. In MUN, students have the chance to run the world. They play the part of world leaders, and during weekend-long conferences, young men and women from many schools discuss solutions to real world problems. The big challenge in MUN is to create realistic solutions to world problems. Students participating in the Middle School M.U.N. will attend in RHS MUN in March 2019.

Royal Music

Gr. 8-12

We will continue to offer the group's **Royal Winds (Tuesday)**, **Royal Voices (Wednesday)**, and **Royal Strings (Thursday)** from 3:45 - 5:00. Come perform with your instrument or sing some great music to include everything from pop to gospel.

Participation is free of charge. To enrol please contact Mr. Rocco Sbardella: rsbardella@marymountrome.com

Drama

Gr. 9-12

Marymount Players, or the High School drama performance, is free for all HS students. During this extracurricular activity we work towards a piece of performed theatre. Traditionally, we prepare a straight drama (either comedy or tragedy) in the First Semester, performed mid-November, and a musical in the Spring. It requires all performers to commit to Monday and Thursday rehearsals after school. If you would like to be a part of Marymount Players but are not interested in performing, you can help with backstage, lighting, sound, and set. We are always in search of young directors and stage managers if you are organized and motivated. This is a great opportunity for all IB students, as you can build up your CAS hours if you take part. For more information please contact Ms. Ferrarin - g ferrarin@marymountrome.com

Calligraphy & Lettering Art

Gr. 8-12

This course is a fun way to learn how to write and design letters with pen and ink.

Four styles of lettering will be taught: Renaissance, Italic, Irish uncial, Gothic black letter and the modern letter Neuland. Arabic Naskh calligraphy is also a choice. No previous experience required. A manual and tools will be provided to all who enroll. Open to parents, teachers, and secondary students.

Instructor: Marie Catherine Letendre.

Spanish - DELE Preparation Course A1

Gr. 7

Teacher: Annamaria Romano.

The DELE A1 enables students to access the Spanish-speaking world, improves their academic education and provides them with the confidence to continue advancing towards more advanced levels.

This diploma certifies that the student is able to communicate using the language in a basic way in situations having to do with immediate needs or everyday situations.

The DELE A1 is an internationally recognized certificate that connects people from their first contact with Spanish and evaluates their level in Spanish from the beginning of their studies.

The DELE A1 exam is made up of different parts organized into two groups:

- Group 1 (reading and writing skills): Reading comprehension and written expression and interaction.
- Group 2 (oral skills): Listening comprehension and oral expression and interaction.

To register on this course, please contact Ms. Annamaria Romano at aromano@marymountrome.com or Mr. Andrea Mele at amele@marymountrome.com.
